MEN OF COURAGE

TRUE GRIT FROM THE BOOK OF JEREMIAH

PERTH MEN'S CONVENTION 2018

MEN OF COURAGE

“Men of courage”. Who do you think this is referring to? The firefighters on the front of the brochure? Brave armed forces servicemen or local policemen? There are certainly careers that require courage because they can put your life at risk. But what about you and me? Would anyone say we are ‘men of courage’? When do we need courage? Most likely, today. Our lives might not be under physical threat, but our allegiance to Christ, our conviction that he is Lord of all, the belief that sin is spiritually lethal and must always be repented of, such things are always under threat. It requires courage to follow Christ in the world that crucified him. It might not show itself in a dramatic act of courageous heroism, but it will be seen in countless acts of faithfulness. **We are all called to be ‘Men of courage’.**

This year is the 18th Perth Men’s Convention, and we are delighted to have among us Gary Millar, Principal of Queensland Theological College, pastor and author. Gary will be speaking to us from the book of Jeremiah, where the need for courage was critical; courage to be who God was calling his people to be while all those around were taking a different path. In other words, the same courage we need every day.

Come and join with over 500 men as we hear God’s word read and taught from, sing God’s praises, be encouraged with three new Toolbox sessions, listen to book reviews, browse the bookstall and spend time together with men from across Perth and W.A.

I look forward to seeing you on August 25.

In Christ,
Gordon Killow

Chairman of PMC Committee.

ABOUT THE SPEAKER

We are excited to have **Gary Millar** join us as the speaker for PMC 2018.

Gary Millar is the Principal of Queensland Theological College in Brisbane, and hails from Northern Ireland, he is married to Fiona and they have three daughters.

Gary chairs the Council of The Gospel Coalition Australia and before moving to Australia in 2012, he was involved in leading and planting churches in Ireland.

Gary loves teaching the Bible to anyone (especially people who aren’t yet Christians), he also likes walking his three-legged Labradoodle with Fiona, playing Settlers with the girls and watching Manchester United (on his own!). This year he came out of retirement and started to play soccer again.
